Territory of Hawaii
Honolulu, Hawaii
House of Representatives

April 8, 1959.

Director,
United States Central Intelligence Agency
2430 "E" Street N.W.
Washington 25, D. C.

Sir:

I transmit herewith certified copy of House
Resolution No. 83, H. D. 1, which was adopted
by the Thirtieth Legislature of the Territory of
Hawaii.

Very respectfully,

Clerk, House of Representatives

50th State

H.R.No. 83

RESOLUTION

WHEREAS, the government of our United States of America has programmed and will program the establishment of additional guided missile ranges; and

WHEREAS, the establishment of a guided missile range in the Territory of Hawaii will serve to publicize and emphasize the importance of our islands to our country and to the free world; and

WHEREAS, there is an abundance of idle land in the Puna District on the island of Hawaii which appears to be ideally suited for the establishment of a guided missile range; and

WHEREAS, the establishment of a guided missile range in the Territory of Hawaii will lessen the inconvenience and expenses incidental to displaying the operation of guided missiles and guided missile ranges to invited observers from friendly countries of the Far East; now, therefore,

BE IT RESOLVED, that the United States Department of Defense, Interior and State, Central Intelligence Agency and Federal Bureau of Investigation be and they are hereby respectfully requested to investigate the feasibility, wisdom and safety (both to the national security and to the persons and property in the Territory of Hawaii) of establishing a guided missile range in the Puna District on the island of Hawaii; and,

BE IT FURTHER RESOLVED, that a duly certified copy of this Resolution be transmitted to the President of the United States, the Vice-President of the United States, the Secretaries of the United States Departments of Defense, Interior and State, the Director of the United States Central Intelligence Agency, the Director of the Federal Bureau of Investigation, the Delegate to Congress from Hawaii and the Governor of the Territory of Hawaii.
